Now that you have heard about what we are thinking of pursuing, what are your thoughts about us moving forward on this program.							keep moving forward
							Investigate tax and bond options
							I would like to have dunkirk residents get more information before making a final commitment obtain projections of financial and land uses
							Full Speed ahead
							Please proceed

							I think its very important to protect farmland now. Later it maybe to late. As stoughton grows, developers could take over farmland, its not just an annexation issue.
							Worth continuing to see town response
							Possibly
							Need to move forward
							possible
							Definitely needed
