Further, the town board shall, in designating such districts, determine that there will be no significant environmentally damaging consequences and that such incentives or bonuses are compatible with the development otherwise permitted.

(d) A generic environmental impact statement pursuant to the provisions of 6 NYCRR 617.15 shall be prepared by the town board for any zoning district in which the granting of incentives or bonuses have a significant effect on the environment before any such district is designated, and such statement shall be supplemented from time to time by the town board if there are material changes in circumstances that may result in significant adverse impacts. Further, the town board shall determine that there is approximate equivalence between potential affordable housing lost or gained or that the town has or will take reasonable action to compensate for any negative impact upon the availability or potential development of affordable housing caused by the provisions of this section.

(h) If the town board determines that a suitable community benefit or amenity is not immediately feasible, or otherwise not practical, the board may require, in lieu thereof, a payment to the town of a sum to be determined by the board. If cash is accepted in lieu of other community benefit or amenity, provision shall be made for such sum to be deposited in a trust fund to be used by the town board exclusively for specific community benefits authorized by the town board.
