

BY THE YEAR 2025...

75%
of schools

including New York City, anticipate reaching **30%** spending on **NEW YORK GROWN FOOD** for lunch with the right support

This would generate nearly
\$360 million
IN ECONOMIC IMPACT
statewide...

\$250 million

would be spent by schools at
NEW YORK FARMS

increasing access to
HIGH QUALITY, LOCAL FOOD
to over

900,000
STUDENTS

...A RETURN ON
INVESTMENT OF

\$3.50
for every taxpayer
dollar spent!
