Dunkirk Rural Preservation

Community Meeting - March 19th 4-6 pm

Our Land… Our Vision!
Together we can preserve our rural community. Come give us your input!

Are you interested in protecting our farming and rural culture?

- Hear about how we can work to preserve Dunkirk's farmland and natural areas from development
- Meet members of our neighboring communities who have implemented and participated in rural preservation programs
- Learn about program and financing options

Sponsored by the Town of Dunkirk's Rural Preservation Committee
For more information and to help please contact Ingrid West Chair 608-205-7078

Dunkirk Rural Preservation Program

Community Meeting – January 28th 2018

Our Land... Our Vision!
Together we can preserve our rural community.
Come give us your input!

Continuing the discussion: About protecting our community's rural heritage for future farming and conservation.

Come learn how a purchase development rights (PDR) would work and how it could impact you.

- Why is this important to our community
- How does rural preservation benefits residents, landowners and farmers
- What can you expect as we move forward

Sponsored by the Town of Dunkirk's Rural Preservation Program Committee

Rural Preservation Advisory Referendum Forum
March 31, 2:30 - 4:30 pm
Dunkirk Town Hall

This will be the 4th and final informational forum on the proposed advisory referendum scheduled to be on the ballot April 2, 2019. We will discuss the following:

- What is an advisory referendum
- Learn how this will impact you and our community
- We will share how the town proposes to administer the program

Proposed Referendum: *Shall the town of Dunkirk initiate a program of rural preservation through the purchase of development rights in farmland and natural areas that are voluntarily offered for sale by property owners in the Town, with the program funded by a mill rate increase on all taxable property in the Town of $.50 per $1,000 of equalized valuation?*
